

Virginia is for Movers, LLC and Abigail McAllister, individually and on behalf of all others similarly situated v. Apple Federal Credit Union

**NOTICE OF PENDING CLASS ACTION AND PROPOSED SETTLEMENT**

**READ THIS NOTICE FULLY AND CAREFULLY; THE PROPOSED SETTLEMENT MAY AFFECT YOUR RIGHTS!**

**IF YOU HAVE OR HAD A CHECKING ACCOUNT WITH APPLE FEDERAL CREDIT UNION (“DEFENDANT”) AND YOU WERE CHARGED AN OVERDRAFT FEE BETWEEN JANUARY 7, 2021 AND MARCH 31, 2024, THEN YOU MAY BE ENTITLED TO A PAYMENT FROM A CLASS ACTION SETTLEMENT.**

The United States District Court for the Eastern District of Virginia, Alexandria Division has authorized this Notice; it is not a solicitation from a lawyer.

<b>SUMMARY OF YOUR OPTIONS AND THE LEGAL EFFECT OF EACH OPTION</b>	
<b>DO NOTHING</b>	If you don’t do anything, you will receive a payment from the Settlement Fund and/or debt forgiveness so long as you do not opt out of or exclude yourself from the settlement (described in the next box).
<b>EXCLUDE YOURSELF FROM THE SETTLEMENT; RECEIVE NO PAYMENT BUT RELEASE NO CLAIMS</b>	You can choose to exclude yourself from the settlement or “opt out.” This means you choose not to participate in the settlement. You will keep your individual claims against Defendant, but you will not receive a payment and/or debt forgiveness. If you exclude yourself from the settlement but want to recover against Defendant, you will have to file a separate lawsuit or claim.
<b>OBJECT TO THE SETTLEMENT</b>	You can file an objection with the Court explaining why you believe the Court should reject the settlement. If your objection is overruled by the Court, then you will receive a payment and/or debt forgiveness, and you will not be able to sue Defendant for the claims asserted in this litigation. If the Court agrees with your objection, then the settlement may not be approved.

These rights and options—*and the deadlines to exercise them*—along with the material terms of the settlement are explained in this Notice.

## **BASIC INFORMATION**

### **1. What is this lawsuit about?**

The lawsuit that is being settled is *Virginia is for Movers, LLC, et al. v. Apple Fed. Credit Union*, Case No. 1:23-cv-00576, in the United States District Court for the Eastern District of Virginia, Alexandria Division. This case is a “class action.” That means that the “Named Plaintiffs,” Virginia is for Movers, LLC and Abigail McAllister, are acting on behalf of current and former members of Defendant who were assessed overdraft fees on debit card payments that were authorized positive but settled negative (“APSN”) and other debit card payments and ATM withdrawals and transfers. The Named Plaintiffs have asserted claims for breach of contract and violations of Regulation E of the Electronic Fund Transfers Act, 12 C.F.R. §§ 1005 *et seq.*

The Named Plaintiffs’ Complaint is posted on the settlement website, [www.MoversFeeSettlement.com](http://www.MoversFeeSettlement.com), and contains all of the claims asserted against Defendant. Defendant does not deny it charged the fees the Named Plaintiffs are complaining about but contends it did so properly and in accordance with the terms of its agreements and applicable law. Defendant therefore denies that its practices give rise to claims for damages by the Named Plaintiffs or any Class Member.

### **2. Why did I receive Notice?**

If you received an email notice or postcard notice, it is because Defendant’s records indicate that you were charged one or more of the overdraft fees that are the subject of this action. The Court directed that this Notice be provided to all Class Members because each Class Member has a right to know about the proposed settlement and the options available to him or her before the Court decides whether to approve the settlement.

### **3. Why did the parties settle?**

In any lawsuit, there are risks and potential benefits that come with a trial versus settling at an earlier stage. It is the Named Plaintiffs’ and their lawyers’ job to identify when a proposed settlement offer is good enough that it justifies recommending settling the case instead of continuing to trial. In a class action, the Named Plaintiffs’ lawyers, known as Class Counsel, make this recommendation to the Named Plaintiffs. The Named Plaintiffs have the duty to act in the best interests of the class as a whole and, in this case, it is their belief, as well as Class Counsels’ opinion, that this settlement is in the best interest of all Class Members.

There is legal uncertainty about whether a judge or a jury will find that Defendant was contractually and otherwise legally obligated not to assess the fees that are being challenged in this case. And even if it was contractually wrong to assess these fees, there is uncertainty about whether the Named Plaintiffs’ claims are subject to other defenses that might result in no or less recovery to Class Members. Even if the Named Plaintiffs were to win at trial, there is no assurance that the Class Members would be awarded more than the current settlement amount, and it may take years of litigation before any payments would be made. By settling, the Class Members will avoid these and other risks and the delays associated with continued litigation.

While Defendant disputes the allegations in the lawsuit and denies any liability or wrongdoing, it enters into the settlement solely to avoid the expense, inconvenience, and distraction of further proceedings in the litigation.

## **WHO IS IN THE SETTLEMENT**

### **4. How do I know if I am part of the settlement?**

If you received an email notice or postcard notice, then Defendant's records indicate that you are a Class Member who is entitled to receive a payment or credit to your account, or forgiveness of Uncollected Fees.

## **YOUR OPTIONS**

### **5. What options do I have with respect to the settlement?**

You have three options: (1) do nothing and you will receive a payment according to the terms of this settlement; (2) exclude yourself from the settlement ("opt out" of it); or (3) participate in the settlement but object to it. Each of these options is described in a separate section below.

### **6. What are the critical deadlines?**

There is no deadline to receive a payment. If you do nothing, then you will get a payment and/or debt forgiveness. The deadline for sending a letter to exclude yourself from or opt out of the settlement is April 20, 2025. The deadline to file an objection with the Court is also April 20, 2025.

### **7. How do I decide which option to choose?**

If you do not like the settlement and you believe that you could receive more money by pursuing your claims on your own (with or without an attorney that you could hire) and you are comfortable with the risk that you might lose your case or get less than you would in this settlement, then you may want to consider opting out.

If you believe the settlement is unreasonable, unfair, or inadequate and the Court should reject the settlement, you can object to the settlement terms. The Court will decide if your objection is valid. If the Court agrees, then the settlement will not be approved and no payments will be made to you or any other Class Member. If your objection (and any other objection) is overruled, and the settlement is approved, then you will still get a payment.

If you want to participate in the settlement, then you don't have to do anything; you will receive a payment and/or debt forgiveness if the settlement is approved by the Court.

### **8. What has to happen for the settlement to be approved?**

The Court has to decide that the settlement is fair, reasonable, and adequate before it will approve it. The Court already has decided to provide preliminary approval of the settlement, which is why you received a Notice. The Court will make a final decision regarding the settlement at a "Fairness Hearing" or "Final Approval Hearing," which is currently scheduled for June 17, 2025.

## **THE SETTLEMENT PAYMENT**

### **9. How much is the settlement?**

Defendant has agreed to create a Settlement Fund of \$2,500,000.00. In addition, Defendant has agreed to forgive certain Uncollected Fees, as defined in the Settlement Agreement, in an approximate amount of \$35,530.00.

As discussed separately below, attorneys' fees, litigation costs, and the costs paid to a third-party Settlement Administrator to administer the settlement (including mailing and emailing notice to Class Members) will be paid out of the Settlement Fund. The balance of the Settlement Fund will be divided among all Class Members as described in the Settlement Agreement.

### **10. How much of the Settlement Fund will be used to pay for attorneys' fees and costs?**

Class Counsel will request an award of attorneys' fees of not more than one-third of the Value of the Settlement. Class Counsel will also request that it be reimbursed for litigation costs incurred in prosecuting the case. The Court will decide the amount of the attorneys' fees and costs based on a number of factors, including the risk associated with bringing the case on a contingency basis, the amount of time spent on the case, the amount of costs incurred to prosecute the case, the quality of the work, and the outcome of the case.

### **11. How much of the Settlement Fund will be used to pay the Named Plaintiffs a service award?**

Class Counsel will request that the Named Plaintiffs be paid a service award in the amount of \$15,000.00 each for their work in connection with this case. The service award must be approved by the Court.

### **12. How much will my payment be?**

The balance of the Settlement Fund after attorneys' fees and costs, the service award and the Settlement Administrator's fees will be divided among all Class Members in accordance with the formulas outlined in the Settlement Agreement. Current members of Defendant will receive a credit to their accounts for the amount they are entitled to receive, without having to take any action. Former members of Defendant shall receive a check from the Settlement Administrator, without having to take any action. Current and former members of Defendant who incurred Uncollected Fees shall automatically have such fees waived and forgiven.

### **13. Do I have to do anything if I want to participate in the settlement?**

No. If you received a Notice, then you will be entitled to receive a payment without having to make a claim, unless you choose to exclude yourself from the settlement, or "opt out." Payments will be made by credit to your account if you are still a member of Defendant or by check mailed to you if you are no longer a member of Defendant.

### **14. When will I receive my payment?**

The Court will hold a Fairness Hearing on June 17, 2025, at 2:00 p.m. to consider whether the settlement should be approved. If the Court approves the settlement, then payments should be made or credits should be issued within about 40 to 60 days after the settlement is approved. However, if someone objects to the settlement, and the objection is sustained, then there is no settlement. Even if all objections are overruled and the Court approves the settlement, an objector could appeal, and it might take months or even years to have the appeal resolved, which would delay any payment.

## **EXCLUDING YOURSELF FROM THE SETTLEMENT**

### **15. How do I exclude myself from the settlement?**

If you do not want to receive a payment and/or debt forgiveness, or if you want to keep any right you may have to sue Defendant for the claims alleged in this lawsuit, then you must exclude yourself, or “opt out.”

To opt out, you **must** send a letter to the Settlement Administrator that you want to be excluded. Your letter can simply state “I hereby elect to be excluded from the settlement in the *Virginia is for Movers, LLC, et al. v. Apple Fed. Credit Union* class action.” Be sure to include your name, the last four digits of your account number(s) or former account number(s), address, telephone number, and email address. Your exclusion or opt-out request must be postmarked by April 20, 2025, if sent by mail and sent by April 20, 2025 if emailed. The address to send the request to opt out is as follows:

*Virginia is for Movers v. Apple Federal Credit Union* Settlement Administrator  
P.O. Box 301130  
Los Angeles, CA 90030-1130  
admin@MoversFeeSettlement.com

### **16. What happens if I opt out of the settlement?**

If you opt out of the settlement, you will preserve and not give up any of your rights to sue Defendant for the claims alleged in this case. However, you will not be entitled to receive a payment and/or debt forgiveness from this settlement.

### **17. If I exclude myself, can I obtain a payment?**

No. If you exclude yourself, you will not be entitled to a payment.

## **OBJECTING TO THE SETTLEMENT**

### **18. How do I notify the Court that I do not like the settlement?**

You can object to the settlement or any part of it that you do not like **IF** you do not exclude yourself (opt out) from the settlement. (Class Members who exclude themselves from the settlement have no right to object to how other Class Members are treated.) To object, you **must** send a written document to the Settlement Administrator at the address below. Your objection should state that you are a Class Member, that you object to the settlement, and the factual and legal reasons why you object, and whether you intend to appear at the hearing. In your objection, you must include your name, address, telephone number, email address (if applicable) and your signature.

All objections must be postmarked no later than April 20, 2025, and must be mailed to the Settlement Administrator as follows:

*Virginia is for Movers v. Apple Federal Credit Union* Settlement Administrator  
P.O. Box 301130  
Los Angeles, CA 90030-1130

**19. What is the difference between objecting and requesting exclusion from the settlement?**

Objecting is telling the Court that you do not believe the settlement is fair, reasonable, and adequate for the class, and asking the Court to reject it. You can object only if you do not opt out of the settlement. If you object to the settlement and do not opt out, then you are entitled to a payment and/or debt forgiveness if the settlement is approved, but you will release claims you might have against Defendant. Excluding yourself or opting out is telling the Court that you do not want to be part of the settlement, and you do not want to receive a payment and/or debt forgiveness or release claims you might have against Defendant for the claims alleged in this lawsuit.

**20. What happens if I object to the settlement?**

If the Court sustains your objection, or the objection of any other Class Member, then there is no settlement. If you object, but the Court overrules your objection and any other objection(s), then you will be part of the settlement.

**THE COURT'S FAIRNESS HEARING**

**21. When and where will the Court decide whether to approve the settlement?**

The Court will hold a Final Approval or Fairness Hearing at 2:00 p.m. on June 17, 2025, at the United States District Court for the Eastern District of Virginia, Albert V. Bryan U.S. Courthouse 401 Courthouse Square, Alexandria, VA 22314, Courtroom of the Hon. David J. Novak. At this hearing, the Court will consider whether the settlement is fair, reasonable and adequate. If there are objections, the Court will consider them. The Court may also decide how much to award Class Counsel for attorneys' fees and expenses.

**22. Do I have to come to the hearing?**

No. Class Counsel will answer any questions the Court may have. You may attend if you desire to do so. If you have submitted an objection, you do not need to be present for the Court to consider it.

**23. May I speak at the hearing?**

If you have objected, you may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must include with your objection, described in Question 18, above, the statement, "I hereby give notice that I intend to appear at the Final Approval Hearing."

**THE LAWYERS REPRESENTING YOU**

**24. Do I have a lawyer in this case?**

The Court ordered that the lawyers and their law firms referred to in this Notice as "Class Counsel" will represent you and the other Class Members.

**25. Do I have to pay the lawyer for accomplishing this result?**

No. Class Counsel will be paid directly from the Settlement Fund.

**26. Who determines what the attorneys' fees will be?**

The Court will be asked to approve the amount of attorneys' fees at the Fairness Hearing. Class Counsel will file an application for fees and costs and will specify the amount being sought as discussed above. You may review a physical copy of the fee application at the website established by the Settlement Administrator, [www.MoversFeeSettlement.com](http://www.MoversFeeSettlement.com) (for free), through Public Access to Court Electronic Records (PACER), <https://pacer.uscourts.gov> (for a fee), or by requesting a copy from the Settlement Administrator.
